

July, 2016

**Perfect for touring Tokyo metropolitan area!**  
**Started Hands-Free Travel Service at Shinjuku station**  
**~ Temporary storage , Express delivery to the airport and hotel ~**

Odakyu Electric Railway launched its Hands-Free Travel Service in June, 2016. The luggage service offered at the dedicated desk in Shinjuku Station West Exit includes temporary storage, and express delivery to the airports (Haneda and Narita Airport) and the hotels (mainly in Tokyo's twenty three wards). Tourists can just bring themselves to the destination and easy travel to and from Shinjuku Station is guaranteed.

Left-luggage desk and Odakyu Sightseeing Service Center (Shinjuku)
