

Revisions of the train timetables, child fares, and part of discount passes

Odakyu Electric Railway will revise train timetables, child fares, and part of discount passes as of March 12, 2022. The details are as follows.

1 Revisions of the train timetables

■ Date of revision

Saturday, March 12, 2022

■ Remarks

- Please note that [Route and Fare Search](#), [Timetables](#) and [Limited Express Romancecar Timetables](#) on our website show the timetables before the revision. It will be reflected sequentially from early March 2022.
- Please see [here](#) for the revised Limited Express Romancecar timetables.

2 Revisions of child fares

■ Date of revision

Saturday, March 12, 2022

■ Revisions

Regular fares

- The child IC fare (in increments of one yen: one way) will be revised to the flat rate of 50 yen for all sections.

*The above fare requires the use of a children's IC card. Please purchase one beforehand. As for the children's IC card, please see [here](#).

3 Revisions of discount passes

■ Date of revision

Saturday, March 12, 2022

*For those who purchased tickets that will be valid after the date of revisions by Friday, March 11, 2022, they may be used as-is. For those who wish to purchase them at the new fares, please buy them starting with the first train on Saturday, March 12.
