

【Important Notice】 Revisions of the train timetables

Odakyu Electric Railway will revise a part of train timetables as of March 18, 2023. The details are as follows.

1 . Date of Revisions

From the first train on Saturday, March 18, 2023

2 . Details

The following changes apply to both the weekday and Saturday /Holiday timetables.

- (1) Following a timetable revision by Tokyo Metro Co., Ltd. and East Japan Railway Company, some inbound trains on the Chiyoda Line will change their destinations.
- (2) The plan will be changed to a slightly more relaxed operation plan at the Enoshima Line during morning rush hours when there are constant delays and at Limited Express Romancecar stops where platform doors are expected to be installed.

3 . Remarks

- (1) No changes on Limited Express Romancecar Timetables.
- (2) The timetable for each station will be posted on the station and website around early March.
