

【Important Notice】 Partial Changes to Terms of Use of e-Romancecar

Until now, when using a limited express ticket purchased through e-Romancecar, you were required to bring along the credit card used for payment in addition to the electronic limited express ticket information. After September 1st forward, if you have a smartphone or any other device that can display electronic limited express ticket information, you will be able to board Romancecar without a credit card that you used for payment.

However, if you only have a printout of the electronic limited express ticket information, please continue to take the credit card with you.

For more information for how to use e-Romancecar, please check [here](#).
